NEVADA BOARD OF PARDONS COMMISSIONERS HISTORICAL ACTIONS 1996 – 2018

The following report details actions taken by the Board of Pardons There are many different types of pardons. These range from granting parole eligibility to a full and unconditional pardon.

Following are explanations of some of the language used in the report.

- In-Custody cases refer to applicants who were incarcerated at the time.
- Community cases are brought to the Board’s attention by individuals who were currently residing in the community, and were not incarcerated.
- Parolee cases are brought to the Board’s attention by individuals who were serving a sentence, but were released from prison under supervision of the Department of Public Safety, Division of Parole and Probation.
- Consent Agenda Community cases – The Board considered a request without a meeting. For example, at the request of Immigrations & Customs Enforcement, <http://www.ice.gov>.
- CC = Concurrent Sentence – Sentences are “concurrent,” when the time served on one sentence is also applied to another sentence.
- CS = Consecutive Sentence – Sentence are consecutive when one sentence must be discharged or pardoned before the inmate begins to serve another sentence.
- C/S = Controlled Substance

- Consp = Conspiracy
- DUI = Driving Under the Influence
- NDOC = Nevada Department of Corrections
- PED = Parole Expiration Date
- Poss = Possession
- UDW = Use of a Deadly Weapon
