The State Board of Pardons Commissioners will consider commuting sentences, granting pardons and restoring the civil rights of the applicants listed on this agenda. The Board may take action to commute or modify the sentence of a prisoner, grant a full and unconditional pardon\*\*, grant a conditional pardon\*\*\*, deny a request or take no action. The Pardons Board may restore the right to bear arms to an applicant even if the applicant has not specifically requested such action.

\*\* A full and unconditional pardon restores all civil rights lost as a result of the conviction including the right to bear arms. The Pardon instrument will specify that the person does not have to comply with the registration requirements pursuant to NRS 179C.100(6).

\*\*\*The Pardons Board may condition or limit the Pardon by excluding the restoration of the right to bear arms, by requiring that the person continue to register as an ex-felon as required by NRS 179C or impose any legal or reasonable condition as long as it does not offend the Nevada Constitution or the Constitution of the United States.
