## BOARD OF PARDONS

### *NEVADA BOARD OF PARDONS COMMISSIONERS HISTORICAL ACTIONS 1996 – 2024*

The following report details actions taken by the Board of Pardons. There are many different types of pardons. These range from granting parole eligibility to an Unconditional Pardon.

Following are explanations of some of the language used in the report.

- In-Custody cases refer to applicants who were incarcerated at the time.
- Community cases are brought to the Board's attention by individuals who were currently residing in the community and were not incarcerated.
- Parolee cases are brought to the Board's attention by individuals who were serving a sentence but were released from prison under supervision of the Department of Public Safety, Division of Parole and Probation.
- Consent Agenda Community cases – The Board considered a request without a meeting. For example, at the request of Immigrations & Customs Enforcement, <http://www.ice.gov>.
- CC = Concurrent Sentence – Sentences are "concurrent," when the time served on one sentence is also applied to another sentence.
- CS = Consecutive Sentence – Sentences are consecutive when one sentence must be discharged or pardoned before the inmate begins to serve another sentence.
- C/S = CS
- Consp = Conspiracy

- DUI = Driving Under the Influence
- NDOC = Nevada Department of Corrections
- PED = Parole Expiration Date
- Poss = Possession
- UDW = Use of a Deadly Weapon
