The State Board of Pardons Commissioners (Board) will consider commuting sentences, granting pardons and restoring the civil rights of the applicants listed on this agenda. The Board may take action to commute or modify the sentence of a prisoner, grant a full and unconditional pardon**, grant a conditional pardon***, deny a request, or take no action on a request. The Pardons Board may restore the right to bear arms to an applicant even if the applicant has not specifically requested such action.

Items on the agenda may be taken out of order. The Board may combine two or more agenda items for consideration. The Board may remove an item from the agenda or delay discussion relating to an item on the agenda at any time.

The Board may place reasonable restrictions on the time, place, and manner of public comments; however, comments based on viewpoint will not be restricted.

** A full and unconditional pardon restores all civil rights lost as a result of the conviction including the right to bear arms. The Pardon instrument will specify that the person does not have to comply with the registration

requirements pursuant to NRS 179C.100(6).

***The Board may condition or limit the Pardon by excluding the restoration of the right to bear arms, by requiring that the person continue to register as an ex-felon as required by NRS 179C or impose any legal or reasonable condition as long as it does not offend the Nevada Constitution or the Constitution of the United States.
